Sallén D4

Cash Management
solutions

Sallén D4

Top of the compact range with dual banknote acceptors.

D4 has dual bank note acceptors to double the speed of transactions and for redundancy purposes in case of failure.

The compact range is designed to help small to midsize retailers and carry out quick and safe cash deposit transactions with maximum adaptability to your needs.

The different compact solutions adapt to your needs in terms of size, capacity and type of storage. All compact range series run with our EMA platform.

Retails solution with dual acceptors
